Subject: IFT Section Recognition

August 8, 2011

Dear Lana:

Congratulations! The Bluegrass Section is being recognized as a 2010-2011 Section of Merit. This recognition symbolizes your section's commitment to IFT, your section members, and the food science and technology profession.

The Bluegrass Section is a vibrant community of dedicated professionals that embody the spirit of IFT. The events you hold throughout the year, your exemplary volunteers, your dedication to students, and your excellence in leadership demonstrate your ongoing devotion to ensuring that your section will flourish for years to come.

In order to be recognized as an IFT Section of Merit, the section must meet or exceed several criteria. They include the following: the section Annual Report is submitted by the deadline, membership exhibits stability or growth, at least three meetings are held in the year, the section website is up-to-date, and the section demonstrates their commitment to future generations of food scientists and their community.

Shortly you will be receiving via e-mail a Section of Merit logo to add to your website. The Bluegrass Section is one of only seven sections being honored as a Section of Merit. We ask that you proudly display the logo on your website's home page.

Again, our heartfelt congratulations for this achievement go to you, your leadership, and your section members. Keep up the good work!

Sincerely,
