# Nominations & Elections Committee Nomination Form

The Nominations & Elections Committee is responsible for ensuring the long-term success of IFT through a continuous succession of volunteer leaders by:

- Understanding and articulating the strategic direction of the organization
- Defining skills and attributes required to serve in a strategic board role
- Formulating the slate for the election of officers and contacting candidates

This Committee serves as champions of the nomination process, certifies qualifications, and selects the slate of candidates for the Board of Directors and President-elect for the IFT Board of Directors. This slate is presented to the membership for election. The term of service is three (3) years.
