IFT members in the U.S. who work or reside in an area served by a Section (based upon your primary address zip code) will be automatically added to the Section. IFT will add this to your order and your total will be adjusted.

In addition, you can join as many optional sections as you like; list the numbers for the additional sections you wish to join on the line under "Optional Selections".

1. By joining New York or the sub-section noted with a "1", you are automatically a member of both.

2. By joining Minnesota or the sub-section noted with a "2", you are automatically a member of both.
