

# By The Numbers

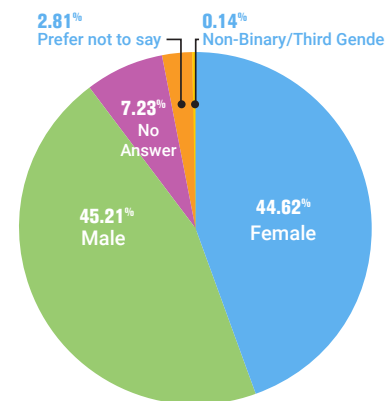

The data presented here is a representation of IFT's current membership as of October 2021. Please note that the data points included here are collected from IFT's member join/renew workflow.

IFT's data governance processes aim to collect more complete, cleaner data to eliminate, wherever applicable, any absent values in the future.

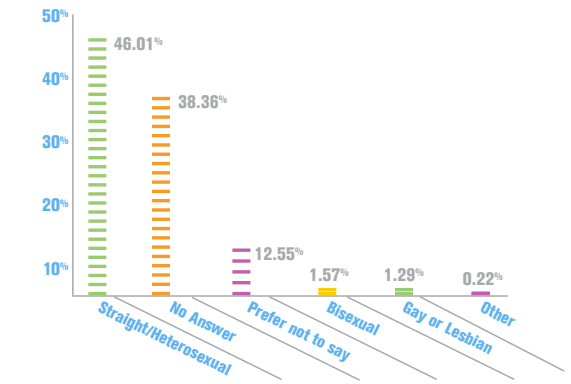

## Country

## Gender

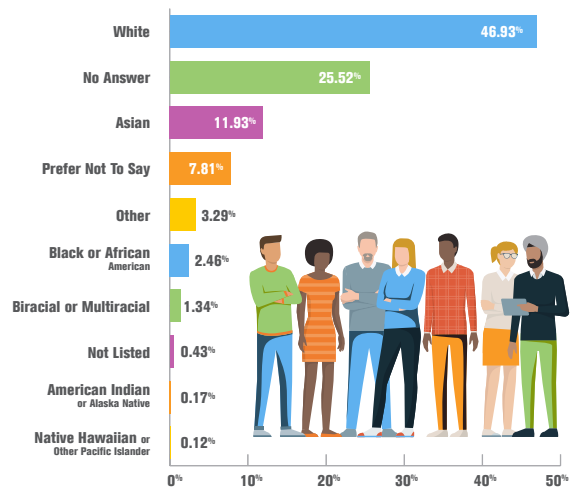

## Sexual Orientation

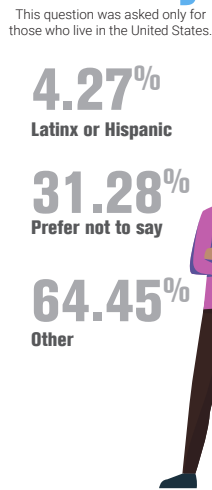

## Race

This question was asked only for those who live in the United States.

## Ethnicity

This question was asked only for those who live in the United States.

## Job Function

(Breakdown of non-student members)
