

Pre-Proposal on
Honey food-pairings to help Americans consume a
Mediterranean diet pattern.

Email to research@nhb.org
 By midnight Mountain time on November 13, 2020

Before completing, read ***NHB nutrition research guidelines for PIs.pdf***
 5 page limit in 11 font size (excepting CV's which can be attached)

Date	
PI names (if co-PI's both should be provided)	
Affiliations (institution and department)	
Link to PI research website(s)	

Key collaborators Affiliation	Contributions

Yes/No	
	I have read, understand, and agree to the guiding principles NHB ascribes to (see below).
	I have read and understand NHB budget requirements (see below)
	I have confirmed that if funded, my institution agrees to limit overhead to <=10%.
	The proposed partner has committed to share costs/resources should this project receive funding from the NHB. If not, indicate below the current status. If you do not have a partner sharing costs, indicate not applicable (NA).
	Does this proposal identify patent protectable intellectual property development opportunities?

Background (include what is known, important gaps, and how this project specifically addresses this area of research.)

Reference citations:

Primary Aim	
Secondary Aims (if any)	
Overview of approach (bullet points preferred)	<ul style="list-style-type: none"> • X • Xx • Xxx • Include database for modeling, sub-population analyses with rationale, and basis for characterizing Mediterranean Diet Patterns.
Analytic approach (including rationale such as nutritional standards to be met)	
Timeline	
Budget	

Budget in total across all components and year and by calendar year (as funds are allocated at the NHB by calendar year)

Summary timeline of all components.

Describe principal investigator(s) experience as PI on same/similar projects.
Short biosketch like an NIH biosketch and attach CV's for each PI.
